

Just last week, when the CENTCOM Commander testified, he said there had been 78 similar attacks on American forces since 2021. We are losing deterrence. That is during the Biden administration's 2 years. They have been attacking the hell out of our troops. What are we doing? What are we doing?

The mullahs in Tehran, like all tyrants, are emboldened by accommodation. So I am asking my Senate colleagues to take the very prudent, logical, and responsible step to ask the DNI if what we are getting ready to do here on the Senate floor, which is to remove the 2002 AUMF, will that undermine our deterrence against Iran? Let's wait 30 days and get the answer.

Don't put your head in the sand, my colleagues. Stand up. See what the answer is from the DNI so we can move forward in a way that makes sense for our national security, deterrence of the world's largest state sponsor of terrorism, and, most importantly, the ability to protect and defend our servicemembers serving overseas in places like Syria that are very dangerous.

I yield the floor.
